Welcome Address

BY THE HEAD OF SCHOOL

Dear Parents and Guardians,

We are now just a few days away from the end of the academic session, and this week marks the final week in school for our Year 11 students.

Tomorrow, we will officially celebrate and send them off at their Graduation Ceremony, followed by a reception. Earlier this week, we also launched the Year 11 Changing Room Give Back Project. We look forward to sharing photos from this special moment in this edition.

Our Year 6 students also had an exciting Cooking Competition on Wednesday. Thankfully, no fire trucks were needed! It was a fun and enjoyable experience for everyone. Next Friday, we will also be celebrating and sending off our Year 6 students as they prepare to move on to Secondary School at the Leavers' Assembly. You will find pictures from the competition in this edition as well.

There were many other exciting moments across the school this week. Our EYFS pupils enjoyed a special Theme Day. We are also proud to celebrate one of our Grange students, who brought honour to the school by being recognised as Top in Nigeria in Geography and Physics at the British Council Recognition and Outstanding Cambridge Learner Awards (BROCLA 2026).

We look forward to sharing more good news with you in the coming weeks.

Enjoy the weekend with your children, and we hope to see our Year 11 parents at Graduation tomorrow.

Thank you.

Richard McMahon
Head of School

IMPORTANT NOTICE

ANNOUNCEMENTS

Year 11 Graduation

Tomorrow, Saturday, June 27, our Year 11 students will celebrate their graduation, followed by a reception afterwards. We look forward to a memorable occasion as we celebrate their achievements, reflect on their journey and wish them every success in the next stage of their education. It will be a special time for students, families and staff to come together and mark this important milestone.

Year 6 Leavers' Assembly

Next week, our Year 6 students will officially be sent off to Secondary School at their Leavers' Assembly on Friday, July 3 on the school premises. We look forward to celebrating this special milestone with them as they complete their Primary School journey and prepare for the exciting chapter ahead.

Update Your Contact Details

Following feedback received during our PTA meeting over the weekend regarding missed emails and school communications, we are reviewing our database to help ensure parents receive important updates and newsletters promptly. Although this request has also been shared by the Communications Department, I would kindly encourage all parents to complete the Google Form using the link below to confirm or update their child's details and contact information. Thank you for your cooperation.

A PROUD MOMENT FOR GRANGE: Ohimai Okoye

We are delighted to share that one of our students, Ohimai Okoye, has been recognised as Top in Nigeria in Geography and Physics at the British Council Recognition and Outstanding Cambridge Learner Awards (BROCLA 2026) ceremony.

The event took place on Friday, 19 June at the Grand Banquet Hall, The Civic Centre, Ozumba Mbadiwe Road, Victoria Island. Ohimai was represented at the ceremony by his father, and the Head of School was also present to celebrate this remarkable achievement.

We are incredibly proud of his achievement and congratulate him and his family on this outstanding success.

We look forward to celebrating many more achievements in the future.

Grange Alumna Appointed Head Girl at Oswestry School: Ogooluwayimika Abe

We are delighted to share the wonderful news that Ogooluwayimika Abe has been appointed Head Girl of Oswestry School for the 2026-27 academic year.

We are extremely proud to see one of our former students take on such an important leadership role. Her appointment reflects the strong values and foundation she built during her time at The Grange School, where we remain committed to raising confident and capable young people who grow to lead and make a positive impact wherever they go.

PTA MEETING AND MIXER

On Saturday, June 20, members of our PTA came together for a productive meeting followed by a social mixer. The meeting centred on proposed amendments to the PTA constitution, with parents also taking the opportunity to raise questions and share concerns. The school appreciates the engagement and feedback received and will provide updates on the matters discussed in due

course. The mixer that followed created a valuable opportunity for parents to connect, build relationships, and enjoy time together as a community. Thank you to everyone who attended and contributed to making the day meaningful.

PTA MEETING AND MIXER

SCHOOL PROJECTS: COMPLETED AND UPCOMING

Facility Project Update

Following feedback that some parents were not aware of the school's facility improvement projects, we would like to share an update on recent work completed and projects planned for the near future. Over the past months, we have continued to improve our facilities to create a better learning environment and experience for our students and staff. Please see the pictures showing completed projects.

During the Summer Term holidays, we will also be working on improvements to the Physics Lab and classroom, Year 11 Lounge, Music and ICT classrooms, Board Room, outdoor drainage, kitchen and equipment, hostel, store relocation, swimming pool (engine room and floor tiles), and new boarding facilities. Thank you for your continued support as we continue to improve our school environment.

EYFS

Amazing Creatures Theme Day

Our EYFS children had a wonderful time during our Amazing Creatures Theme Day earlier today, celebrating the animals and mini beasts that share our world. Through exciting activities, storytelling and performances, the children learned about different amazing creatures in fun and engaging ways. A highlight of the day was the class performance, where the children confidently showed what they had been learning in their colourful costumes. Thank you to our parents for your continued support in making this special day possible. It was a joyful day filled with learning, creativity and happy memories.

PRIMARY

A Year 5 Adventure

Our Year 5 students recently went on an exciting excursion to a nature reserve with a large wetland area dedicated to wildlife conservation and learning. During the visit, the students walked along raised pathways and had the opportunity to observe animals in their natural environment. The trip provided a valuable opportunity for learning beyond the classroom and was an enjoyable and memorable experience for all.

DEL F EXAMS

On Wednesday, June 24, our Primary students took the DELF (diplôme d'études en langue française) Primary examination at the Gazebo. A total of 33 pupils registered for the DELF Prim A1.1 level and took part in the exam. We congratulate them on their effort and wish them success in their results.

Year 6 in the Kitchen

As part of this year's transition programme, Year 6 pupils participated in a Cooking Competition held on 24th June 2026 in the school DT Room. The activity was designed to give pupils an opportunity to develop practical life skills while encouraging teamwork as they prepare for the next stage of their educational journey.

Seven groups of three pupils took part in the competition and were challenged to prepare Stir-Fry Spaghetti. All groups took part with excitement and worked well together throughout the competition. The winning team was an all-boys group.

We were delighted to welcome two guest judges, Mrs. Oladosu Olamide (Chef Lammy), a certified chef and founder of Daintymeal, and Mrs. Jimenez Benilda (Chef Benilda), a pastry baker and home chef. Their expertise and feedback added value to the experience for our pupils.

Overall, the event was a great success, and all pupils performed very well.

YEAR 6 IN THE KITCHEN

SECONDARY

Year 11 Sports Changing Room Renovation

As part of the Year 11 leaving activities, the students gave back to the school community through a special project, the renovation of the sports changing room. This project was carried out in partnership with the school, with the Year 11 students and parents raising funds towards the renovation.

It was wonderful to see the active involvement and support of the Year 11 parents. Their commitment and generosity played an important role in bringing the project to completion.

The official opening and commissioning of the renovated sports changing room took place on Thursday, 25th June 2026. The school is sincerely grateful to the Year 11 students and parents for their efforts, support, and contribution towards leaving a lasting impact on the school community.
