Rationale

Grange School believes that forming strong home school partnerships and having regular and open communication channels between the school and parents supports students with their learning and academic progress. The school provides clear channels for making general enquiries and raising concerns or complaints which parents need to be aware of these. Issues often arise due to parents being unaware of school policies or procedures, having regular communication with all stakeholders helps to prevent issues arising in the first instance. If there are complaints, Grange School wishes to deal with these in a formal, fair and consistent manner.

We believe it is important for parents to address any concerns they may have directly with the member of staff, in the first instance, to try and resolve differences. Most cases would typically involve speaking directly to your child's teacher as they know the children and potential issue. Sometimes what is reported at home does not include all the details disclosed by the child, which is why it is important to clarify initially with the concerned teacher. We understand at times parents may not feel comfortable addressing the teacher initially, depending upon the nature of the enquiry or complaint, in these cases a staged approach has been implemented specifically identifying who you should address the communications and enquiries to.

Grange school has a number of different departments in which a concern should be directed to, depending upon the nature of the concern, these typically fall under the following categories:

Categories	Education / SEN	Pastoral and wellbeing	Sports and cocurricular	Boarding	Financial (Administration and Operations)	Safeguarding
Typical areas within this category.	Anything related to how your child is performing academically, in lessons and summative assessments.	This includes anything about their personal wellbeing, general conduct, and behaviour.	All sports related activities including fixtures and competitions.	Issues related to secondary student in the Boarding facility / Hostel.	Matters related to payment of school fees and additional payments made to the school.	Anything which may be of concern to you which could cause harm to a child.

At Grange school we have a number of different methods for updating parents and the wider community about our educational provision. It is important for parents to be familiar with these, check them regularly to ensure they are kept abreast of the latest information concerning their child.

Website - Publishing key information about the school including upcoming events and key leadership positions at the school and Governing Council members.

SMS - For quick messages and urgent notifications.

Whole School Newsletter - Released to all parents via email and published on the website.

Head of School / Secondary and Primary leadership letters - Important information including general reminders and updated procedures or policies, which will be shared by email.

Student planners - Weekly records for parents to check and sign.

Google classroom - information shared with students by their teachers including lesson resources and curriculum details.

Social Media - (Instagram, Facebook, YouTube) sharing recent events.

WhatsApp - Each Year group has an administrator only WhatsApp Group which will share all school and year group related letters which have been sent to parents via the formal school email. This provides a quick and easy way for parents to receive information. The groups will only be enabled for Grange school to post information.

Phone - Parents can contact the school by phone by dialling the front desk number (09049999950).

Educare - Is a school-based portal system currently used only by Grange teachers and administration. Educare is in the process of being developed to implement a parent portal which will share all relevant student information.

Who to contact and how?

For general enquiries or questions to be addressed please make contact with the appropriate staff member through email. For '**formal complaints**' these must be made using the school complaints links. When a complaint is submitted it will be directed to the relevant person as per the flow chart '**PROCEDURE FOR CONTACTING THE RIGHT PERSON**'. If the complaint has not been addressed satisfactorily parents can escalate the complaint to the next level as per the flow chart.

All formal complaints by parents / guardians must complete the complaint by the complaint log:

PRIMARY COMPLAINTS: <https://forms.gle/g54s8cV954MhXM1V9>

SECONDARY COMPLAINTS: <https://forms.gle/gmYKy2QFWQwTtmp9>

Complaints cannot be on behalf of any other parent or student, they must only relate to the concerns you have for your child, group complaints will not be addressed.

Please refer to the Flow Chart at the end of the policy

General communication methods for enquiries or queries?

All general enquiries must be made in writing by email to the concerned person. Staff emails can be found in the appendix section of the communications and complaints policy. General enquiries or addressing questions may also be raised through the front desk or Primary and Secondary office telephone, but must be followed up in writing to the relevant member of staff. When submitting a general enquiry, the email must also be cc'd to the Primary and Secondary offices. All staff will try to respond to general enquiries raised within 24 - 48 hours. As a minimum, teachers are expected to acknowledge parent emails within 48 hours (excluding weekends), however they may require more time to fully respond to questions beyond the 48 hours. If communications are directed to the incorrect person, they will be passed on to the correct person and you will be notified.

Grange employees are not allowed to provide personal phone numbers and should not communicate with parents via other forms of social media including WhatsApp. Please ensure you direct all formal complaints via the school COMPLAINTS LINKS.

What can I expect if I make a complaint?

Please note group meetings will not be accepted and every parent / guardian is expected to address only their child's issue, not other parent's issues.

After submitting the complaint to the relevant Primary / Secondary link, parents should expect to hear back (email or phone call) from the Head of Primary / Secondary / Head of School within 24 - 48 hours (excluding weekends), unless it is a child protection and safeguarding issue, which would be addressed immediately. Following the acknowledgement of the complaint, the below actions may follow:

- Investigate the complaint further. (Taking statement, reviewing CCTV etc).
- Request more details from the parent.
- Arrange a meeting with the parents.
- Communicate the outcome of the investigation and decisions taken.

Timelines for dealing with complaints

CATEGORY	MAXIMUM DURATION
Initial response / acknowledgment of the complaint made, to the complaints link.	48 Hours excluding weekends
Initial parent follow up meeting. (When requested).	3 - 4 working days
Time for investigating complaint fully.	6 - 9 full working days
Communicate outcome of investigation to parents.	10 - 12 full working days
If escalated to the Head of School	15 Days
If escalated to the SRC	15 - 20 Days

What if I am not satisfied the initial response?

If you are not satisfied with the school's response, the issue can be escalated to the **next level on the Flow Chart**, depending on which level dealt with the initial complaint. Typically, this may be the Head of Primary / Secondary then the Head of School.

Investigating and responding to complaints.

If issues are more serious in nature and it is escalated to the highest level, the Head of School will either appoint an Investigating Officer (Head of Primary / Head of Secondary) or conduct an investigation himself. On completion of any investigation, the Head of School or appropriate line manager who has been addressing the case will meet or call the complainant to discuss the investigation findings and to agree appropriate action/s. The final outcome will be communicated by email and details recorded in the student or staff file.

If parents are not satisfied with the outcome of their complaint this can then be addressed to the appropriate Grange Governing Council committee, which is the School Relations Committee (SRC). The Chair of the SRC is Ms.Lanre- Phillips will oversee the process and appeals need to be sent to the Company Secretary Mrs.Anoka s.anoka@grangeschool.com

Persistent/Repetitive Complaints

If the same, unfounded issue is received two or more times by the school (despite a suitable response being provided) it will be deemed persistent and repetitious. In these circumstances the Head of School / Head of Primary / Head of Secondary / Head of Operations will write to the complainant/s to explain the matter has been dealt with.

Abusive Complaints - **Aggressive, rude or inappropriate language (verbal or written) will not be tolerated.**

If Grange school employees feel threatened, unsafe or treated in a manner which is disrespectful, all communication with the parent will end immediately including meetings, written communication or phone conversations. Parent

would be asked to leave the school site. The expectations of parents are that they should conduct their communications (written and verbal) in the same manner in which they would want to be addressed. Tone should be calm and volume moderated.

In such cases Head of School / Head of Operation or School Heads will:

- Contact the complainant to request this conduct ceases immediately;
- Set restrictions for further contact with colleagues, e.g. not allowing access to the school building;
- Report the case to the Governing Council SRC (Actions taken by the SRC may include written warnings, access restrictions, removal of school place for the following academic year)
- Report violent or aggressive incidents to the police, in which case the issue becomes a police matter.

Procedure for escalating a complaint to the SRC

- If a parent is not satisfied with the outcome of a complaint raised, after having escalated to the Head of School, they can then formally take the concern / complaint to the SRC (only after having received a response from the Head of School).
- The parent will need to write formally to the SRC Chairperson including details of the complaint along with any supporting documentation, all communications should be sent to the Company Secretary, Mrs.Anoka, s.anoka@grangeschool.com
- The SRC will review the complaint and meet with the school management before the parent/s.
- After the SRC has met the parent (this will typically be an online meeting), if needed the SRC will then follow up with the school management to clarify any points or questions they have following the parent meeting.
- The SRC will communicate the final decision to the Head of School.
- The SRC will communicate the final decision in a letter to the parent via the company secretary.
